

Course Selection at HiO-System

The HiO-System is our university management system for schedules and exams registration. Select your courses from our English-taught programmes:

- Bachelor TCM (Textile and Clothing Management) and
- Master M.Sc. MTTT (two specializations: Master Textile & Trade, Technical Textiles)
- Avoid overlaps in the timetable, stick to the current winter semester/summer semester and your chosen study programme. (Bachelor are not allowed to select courses from the Master programme, Master can take Bachelor courses) If your time table allows, you can take courses from associated semester in the study programme.
- You can also participate at elective courses, check in HiO

Video - How to use HiO

<https://youtu.be/autKwh6HuqM>

Find the course in the HiO System

<https://hio.hs-niederrhein.de>

- You have to enrol with your student account.
- Select the semester term and find under the ,Faculty of Textile and Clothing Technology', the section ,**Courses for Erasmus Students**' Bachelor (TCM) and Master (MTTT).
- Methods seminars / workshops Scientific and elective courses from the Bachelor's programme in TCM and Master's MTTT can also be selected, but please note that the number of places is limited.
- Check registration deadlines.

Please note: As a Master student you can also choose courses from the Bachelor programme TCM. You will need to check your timetable for any overlaps.
