DOUBLE DEGREE PROGRAMME

PIONEERING THE FUTURE OF SMART TEXTILES AND TEXTILE INNOVATION

Are you passionate about textiles, technology, and innovation? The programme focuses on developing comprehensive technical knowledge and practical skills in textile and **clothing technology, production, and management** for the global textile and clothing industry. At Hochschule Niederrhein, you will specialise in **Smart Textiles** by completing six dynamic project modules, equipping you with cutting-edge expertise. Seize the unique opportunity to spend one year at the highly renowned University of Borås in Sweden, further advancing your knowledge in **Textile Innovation** and gaining valuable international experience.

YOUR MODULES

... at Hochschule Niederrhein

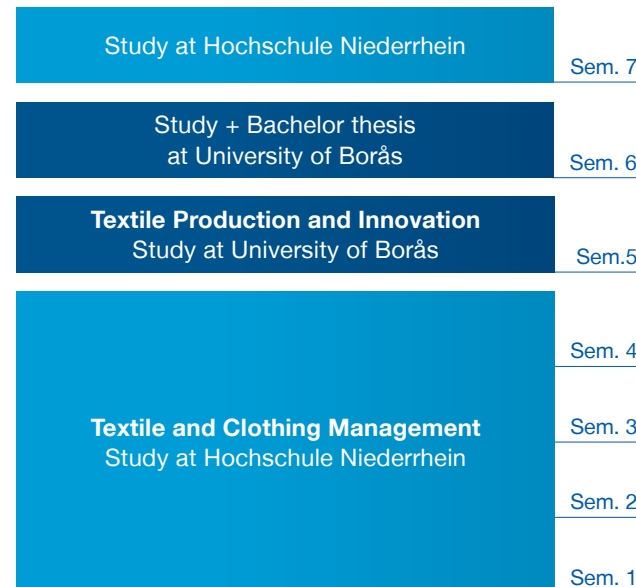

GameWear – Interacting with Smart Textiles | Smart Fashion | Textile Performance Tracking | SafeTex – Smart Solutions for Extreme Conditions | SmartPatch – Crafting Healthcare Innovations | Smart Textile Futures – From Concept to Market

... at University of Borås

Compliance for Textile Production | Textile Structures | Recycling and New Sustainable Fibres | Textile Innovation | Textile Technology Project Course | Thesis Project focussing at Textile Innovation

PROGRAMME STRUCTURE

WHY A DOUBLE DEGREE?

YOUR BENEFITS

- ✓ **Double the Expertise – Double the Degree**
Earn two degrees from top textile universities in Germany and Sweden.
- ✓ **Global Perspective – Local Strengths**
Experience two cultures and benefit from regional industry ties.
- ✓ **Two Campuses - One Cutting-Edge Education**
Work in advanced labs and research facilities at both locations.
- ✓ **Smart Textiles & Innovation - A Powerful Mix**
Combine expertise in Smart Textiles with leadership in Textile Innovation.
- ✓ **Expand Your Network – Across Borders**
Connect with students, researchers, and companies in an international environment.

VÄLKOMMEN TILL BORÅS

- ✓ **Study in Borås – Sweden's Textile Innovation Hub**
Borås is a lively city near Gothenburg, known for textile heritage, innovation, and sustainability.
- ✓ **Dynamic University Life**
Join the students at Sweden's largest university college in a diverse, modern academic environment.
- ✓ **Culture & Nature Combined**
Enjoy museums, street art, parks, and nature – for hiking, cycling, and winter sports.
