Please note the following **information** regarding registration – valid for all study courses:

All students **must actively register** for all compulsory and elective lectures/courses using His-in-One (HiO - https://hio.hsnr.de) platform. **Only** based on this registration all students will then receive important information about the lectures/course, e.g. all room information and registration keys for moodle. Otherwise the students will not be included into the planning.

Please note the following HiO - registration periods:
